Address: Chattogram 4223,
Result: 3.42

Secondary School Certificate 2017

institution: Hatey Khari High School & College,
Address: 8RF2+CJ3, Chattogram,
Result: 4.55

PROJECTS

- **Hourent**

  "Hourent" is a streamlined rental accommodation platform that simplifies finding and booking properties. Users can locate rentals based on location and preferences, with a user-friendly interface and direct booking capabilities. My leadership in development and UI design contributed to its successful implementation, enhancing rental experiences for users.

  https://github.com/Hasibul-Hasan-Hasib/hourent-server

- **Book Birds**

  "Book Bird" is a multifunctional platform enabling users to buy, sell, and read books online. Users can browse a diverse selection of books for purchase, sell their own, and access an extensive library for online reading. My involvement in this project included overseeing its development, ensuring user-friendly features for seamless book transactions and reading experiences.
